MicroJiva Extra Strength

A Complete & Effective Health Supporting Dietary Supplement

WHAT IS MICROJIVA EXTRA STRENGTH?

MicroJiva Extra Strength is an innovative new line of products that provide a more complete dietary support for optimal microbial stability, digestive function, immune defenses and whole-body health of adults, with increased efficacy. All MicroJiva products and their components have been verified by doctors and optimized to treat specific physiological ailments.

MicroJiva supplements use professional grade and quality ingredients:

- Full recommended daily dose
- Sourced from nature and allergen free
- Bioavailable formats
- From renewable and sustainable sources
- Developed by doctors

WHAT IS IT COMPRISED OF?

MicroJiva Extra Strength provides natural prebiotics and probiotics of various genera, which work together to maintain a balance of healthy bacteria in your gut, digestive system functionality, immune defenses and abdominal symptoms for overall well-being.

Probiotic Blend:

- *Lactobacillus plantarum*
- *Lactobacillus reuteri*
- *Bifidobacterium bifidum*
- *Saccharomyces boulardii*
- *Streptococcus salivarius*
- Other Probiotics

Prebiotic Supplement:

- Starch
- L-Leucine
- Fructooligosaccharides (Inulin)

WHAT ARE THE BENEFITS?

- Supports digestive health
- Reduces occasional diarrhea
- Promotes natural immune defenses

WHY RECOMMEND MICROJIVA EXTRA STRENGTH?

The digestive and overall health of adults is largely influenced by microbial stability. The probiotics in MicroJiva Extra Strength have been shown to improve digestive comfort, support intestinal barrier function and reduce pro-inflammatory responses with increased potency for adult health (1,2,3). The formula is based on clinically studied ingredients known to demonstrate optimal benefits.

Our powerful synbiotic formulation combines a probiotic blend of 15 strains with a natural prebiotic fiber, Inulin, that supports a healthy gastrointestinal tract by promoting digestive function, immune health, the growth of healthy bacteria and gut integrity. It provides 25 billion live cells per serving to restore microbial dysbiosis and promote digestive health with efficacy.

HOW IS MICROJIVA EXTRA STRENGTH USED?

MicroJiva Extra Strength is taken once daily with food. The daily dose of MicroJiva Extra Strength provides 25 billion CFU of probiotics with 1,200 mg of fructooligosaccharides.

WHERE IS MICROJIVA EXTRA STRENGTH MANUFACTURED?

Our High-Quality Manufacturing Facilities

All MicroJiva products are manufactured in USA FDA- and Health Canada-approved facilities in Canada and USA by our production partner, Biena. Our facilities are GMP-certified and produce high-quality probiotic supplements from strain vials to finished products.
