MicroJiva Adult

A Complete Adult Health Supporting Dietary Supplement

WHAT IS MICROJIVA ADULT?

MicroJiva Adult an innovative new line of products that provide a more complete dietary support for digestive function, immune defenses and whole-body health of adults. All MicroJiva products and their components have been verified by doctors and optimized to treat specific physiological ailments.

MicroJiva supplements use professional grade and quality ingredients:

- Full recommended daily dose
- Sourced from nature and allergen free
- Bioavailable formats
- From renewable and sustainable sources
- Developed by doctors

WHAT IS IT COMPRISED OF?

MicroJiva Adult provides natural prebiotics and probiotics of the *Lactococcus*, *Lactobacillus* and *Bifidobacterium* genera, which work together to maintain a balance of healthy bacteria in your gut, normal digestive function, immune defenses and gut integrity to support overall health.

Probiotic Blend:

- *Lactobacillus plantarum*
- *Lactobacillus reuteri*
- *Bifidobacterium bifidum*
- *Bifidobacterium longum*
- *Lactococcus lactis*
- Other Probiotics

Prebiotic Supplement:

- Starch
- L-Leucine
- Fructooligosaccharides (Inulin)

WHAT ARE THE BENEFITS?

- ✓ Supports gastrointestinal health
- ✓ Reduces constipation, gas and bloating
- ✓ Promotes natural immune defenses

WHY RECOMMEND MICROJIVA ADULT?

The overall health of adults is largely influenced by gut microbial balance. The probiotics in MicroJiva Adult have been shown to improve overall health in adults and support intestinal barrier function, normal inflammatory response, healthy cholesterol levels, digestive health and relief of abdominal symptoms (1,2,3). The formula is based on clinically studied ingredients known to demonstrate powerful benefits.

Our unique synbiotic formulation combines a probiotic blend of 15 strains with a natural prebiotic fiber, Inulin, that supports a healthy gastrointestinal tract by promoting digestive function, immune health, the growth of healthy bacteria and gut integrity.

HOW IS MICROJIVA ADULT USED?

MicroJiva Adult is taken once daily with food. The daily dose of MicroJiva Adult provides 10 billion CFU of probiotics with 1,200 mg of fructooligosaccharides.

WHERE IS MICROJIVA ADULT MANUFACTURED?

Our High-Quality Manufacturing Facilities

All MicroJiva products are manufactured in USA FDA- and Health Canada-approved facilities in Canada and USA by our production partner, Biena. Our facilities are GMP-certified and produce high-quality probiotic supplements from strain vials to finished products.
